VISION CHARITY CENTRE

Vision Charity Centre – Monthly Food Distribution Program

An Initiative of Vision Ministries India

At Vision Ministries India, all our charitable activities are carried out through the **Vision Charity Centre**. One of our core ongoing initiatives is the **Monthly Food Distribution Program**, aimed at supporting underprivileged families facing extreme financial hardship.

Each month, we provide comprehensive food packets to families in need. These include:

- Widows living alone
- Families with very low income
- Households facing financial crises due to illness or other emergencies

The food packets are carefully prepared to meet the basic needs of a family for an entire month. They typically include:

- **Groceries** (such as rice, lentils, oil, and other staples)
- **Fresh vegetables and fruits**
- **Essential sanitary items**

This initiative ensures that the most vulnerable members of our communities do not go hungry and can maintain basic hygiene and nutrition standards.

We are committed to continuing and expanding this work with compassion, dignity, and integrity.

VISION CARE CENTRE

Vision Care Centre – Nurturing Future Leaders

Empowering Underprivileged Children in Rajasthan

Vision Care Centre is dedicated to transforming the lives of boys and girls from extremely poor villages in Rajasthan. We provide **free boarding, lodging, and education**, creating a safe and supportive environment where children can grow and thrive.

Our mission goes beyond academics. We offer:

- **Comprehensive life training** – Teaching daily routines, discipline, and good manners to help children grow into responsible, well-rounded individuals
- **Educational support and guidance** – Helping each child achieve academic excellence through tutoring, mentoring, and encouragement
- **Career empowerment** – Equipping students with the skills, confidence, and ambition needed to aim for top-level positions in their chosen fields

At Vision Care Centre, we believe that **poverty should never be a barrier to potential**. Through our dedicated efforts, we are raising a new generation of educated, disciplined, and visionary young leaders who will shape a better future for themselves and their communities.

VISION EDUCATION CENTRE

VMI Public School – Empowering Through Education

An Initiative of Vision Ministries India

In 2023, **Vision Ministries India** established **VMI Public School** (a secular English-medium school) in **Bhim, Rajsamand District, Rajasthan**. This location was carefully chosen due to its **low literacy rate**, particularly among **females**, with the goal of transforming the educational landscape of the region.

VMI Public School is committed to providing **high-quality education** to all students, regardless of background. Our mission is to nurture young minds and help them reach their fullest potential.

Key highlights of the school include:

- **Qualified and experienced teaching staff** dedicated to academic excellence
- A **secular and inclusive approach** to education
- A strong focus on **female education and empowerment**
- A vision to develop responsible, educated, and confident future citizens

Though the school is still in its early stages of development, it is **growing steadily** with the support of the community and the dedication of our staff. We believe that every child deserves the opportunity to receive a quality education—and we are committed to making that a reality in Bhim and beyond.

VISION WORSHIP CENTRE

Our Mission – Reaching the World with the Word of God

Vision Ministries India

At **Vision Ministries India**, our mission is to **proclaim the Word of God to all nations**, fulfilling the divine commission given by our Lord Jesus Christ. Our ultimate goal is to **win souls for His Kingdom—at any cost**.

We are driven by the authority and command of Jesus Christ to:

- Preach the **Gospel with power and truth**
- **Baptize** those who believe in Him
- **Plant New Testament churches** to serve as centers of worship, fellowship, and spiritual growth

Our dedicated evangelists are sent into **unreached and remote areas**, boldly sharing the message of salvation. Through prayer, preaching, and personal outreach, we seek to bring transformation to individuals, families, and communities through the love and truth of Jesus Christ.

“Go into all the world and preach the gospel to all creation.” – Mark 16:15
